

# Seesaw's Lodge Covid-19 Safety Protocols

Seesaw's is well-suited for the social distancing requirements of today with a spacious resort containing well-appointed, free-standing accommodations: 3 cabins and 1 lodge. Presently, each two story building is only being rented in it's entirety, so guests have complete privacy and can remain as isolated as they wish to do so. In addition, there is a 3 night minimum with longer 7+ day stays encouraged with advantageous pricing. During this time, the Lodge building is only being rented to one group of guests, and the use of the hot tub and Lodge game room is restricted to guests renting the lodge building. We are also extending the time between guest stays to allow for each unit to be thoroughly cleaned and sanitized.

Although previously an option, we have now moved fully to our self-service check in. For the safety of all, guests (and employees) are required to complete a health questionnaire prior to check in and self-certify that they have not been in contact with someone with COVID-19 in the past 24 hours and have not experienced COVID-19-like symptoms in the past 24 hours. We also follow Vermont's travel guidance as to if quarantines are necessary as detailed [here](#).

In accordance with best practices, we do not offer daily housekeeping services; however, rest assured that we are available to provide for your needs to ensure an exceptional Seesaw's experience. Additionally, our lodging guests benefit from Seesaw's dedicated fiber optic cable providing high speed wifi and smart TV's, facilitating "working from home" and enjoying your personal entertainment accounts.

We offer take out groceries, as well as takeout cocktails, growlers of beer, wine and meals from the legendary Johnny Seesaw's restaurant onsite and can arrange for delivery to you. The restaurant also has outside dining on the covered deck (reservations required) and ample tables on the patio around the pond for our guests' enjoyment. Please refer to our website [Seesawslodge.com](http://Seesawslodge.com) for the latest Johnny Seesaw's menu and hours.

At Seesaw's Lodge, with the backdrop of Bromley Mountain and the National Green Mountain Forest, fresh air and outdoor adventure is plentiful and at your doorstep! All-comers welcome!
